The Receiving Party acknowledges that disclosure of Confidential Information may cause substantial harm for which damages alone would not be a sufficient remedy, and therefore that upon any such disclosure by the Receiving Party, the Disclosing Party will be entitled to seek appropriate equitable relief in addition to whatever other remedies it might have at law. Upon termination of this Agreement, both parties shall either return or destroy any Confidential Information in its possession.

9.3 Your Data. You own Your Data, and You represent and warrant that You have sufficient rights, title and interest in the same. To the extent that any Usage Data constitutes personal data under applicable data protection laws, X-Rite acts as the data controller with respect to such personal data and shall process it in accordance with this Agreement, the Privacy Policy, and all applicable data protection laws.

You hereby grant X-Rite a worldwide, irrevocable, non-transferable, non-assignable (except as permitted under this Agreement), sub-licensable, non-exclusive license to access, and use Your Data and Usage Data (a) in connection with the performance of its obligations under this Agreement; (b) to create aggregated, anonymized data to monitor, analyze, develop, support, or improve X-Rite's products and services and made them available to its customers and otherwise for X-Rite's business purposes, all as further described in the Privacy Policy.
