## Calibrate. Share. Smile!

The ColorMunki Smile™ is the amazingly simple way for photo hobbyists, design enthusiasts and gamers to ensure that the color you see is displayed accurately and matches everywhere you share your images.

Simply. Amazing.

# COLORMUNKI SMILE

## AMAZINGLY SIMPLE MONITOR CALIBRATION

Monitors aren't perfect. They may not display the colors in your digital file accurately and they can vary and shift over time. ColorMunki Smile is a simple, entry level color calibration solution that makes sure your computer screen is always displaying the correct colors. ColorMunki Smile includes a measurement device and super simple software. The process is simple. The results are amazing.

Isn't it time to **Stop Guessing** if the image you see on your monitor is really the right color? **Start Knowing with ColorMunki Smile!**

### FREE ColorTRUE MOBILE APP

ColorTRUE is the only mobile calibration app that delivers unique color tools to ensure your images are displayed with consistently accurate color. Use ColorMunki Smile to calibrate your iOS devices.
